IMPORTANT DETAILS

-  **Zoom Sessions:** Zoom sessions will be conducted every alternate day or once in two days.
-  **Internet & Environment:** Participants are expected to maintain a stable internet connection and a proper environment to ensure clear audio and video during the sessions.
-  **Session Timings:** Sessions will generally be conducted in the morning slot between 11:00 AM and 1:00 PM. Occasionally, evening or night sessions may also be scheduled when required.
-  **Individual Interaction:** Sir will interact with each participant individually and accordingly guide them in preparing a personalized schedule and preparation plan.
-  **Live Answer Writing:** Live answer writing practice will be conducted during the sessions. Participants are required to arrange a table and chair to write properly during the session.
-  **Recording Policy:** Recording of sessions will not be permitted, as it may breach the privacy of other participants, particularly women.
-  **Video Requirement & Interaction:** Participants are expected to keep their video switched on throughout the session and actively interact by sharing their issues, doubts, and progress during the live discussion.
-  **WhatsApp Group:** A WhatsApp group will be created for sharing session updates, announcements, answer sheets, and other important information related to the pro-gram.
-  **Missing a Session:** If a participant misses a session, they should connect with other members to get the updates and continue working on the assigned targets.
-  **Continuation After Missing Targets:** Even if you miss a session or fail to complete targets, you should still attend the next session. Sir will guide you on how to cover the missed targets and continue preparation effectively.
-  **Refund Policy:** Refunds will not be provided under any circumstances.
